

Product: **Heat Shrink**

Catalogue No: **SMDW22-6TK**

Description: Thick Walled Adhesived Lined  
Heat Shrink

Pack Quantity: 1m per pack

Colour Black

### **Key Features**

- Shrinks 22mm down to 6mm
- Adhesived Lined
- High Electrical Insulation

### **Description**

Used to insulate, seal and protect electrical splices and terminations.

Hold electrical connections and protects from abrasions.

The adhesive lined inside ensures an air and water tight seal after shrinkage.
