

Product: **Heat Shrink**

Catalogue No: **SMDW92-26TK**

Description: Thick Walled Adhesived Lined
Heat Shrink

Pack Quantity: 1m per pack

Colour Black

Key Features

- Shrinks 92mm down to 26mm
- Adhesived Lined
- High Electrical Insulation

Description

Used to insulate, seal and protect electrical splices and terminations.

Hold electrical connections and protects from abrasions.

The adhesive lined inside ensures an air and water tight seal after shrinkage.
