DEKS
EASY TO WORK WITH

Key Features

- Low Profile Base with Watershed Sleeve
- Larger Square Base to steep roof pitches
- Unique Cone Design
- Clear Imperial and Metric Notations
- 20 Year Warranty
- BAL Rated

Description

Premium roof flashing unit with a flexible large base that moulds to different roof profiles while covering large penetrations. The larger base also makes it easier to cover openings on steep roof pitches. The unique cone design provides 10mm continuous contact with flashing pipe for a watertight seal.

Specifications

Penetrations: OD 75mm to 175mm
